

INTRODUCTION

Hi, I'm Biraj Pokharel, and I'm currently enrolled in the Networking and IT Security degree at Islington Collage. I have a solid foundation in cyber security and also got a good knowledge on how all the computer program works and as well as in the hardware section of computers. I have also got skills on conduction different programs as well as managing them to turn them into a successful event.

EDUCATION

- Bachelor's in Networking and IT Security at Islington College (2024- Present)
- SLC in Science at New Horizon E.B.S (2022-2024)
- Nursery – SEE at Paramount Boarding High School (2022)

EXPERIENCE

NHI Science & Tech Club

- I participate as a member in NHI Science & Tech Club
- Worked at conduction many programs in the Collage related to Science, Math and Technology

NHI ICT CLUB

- Work as a Member in the ICT CLUB
- Made many models of IOT as well as help other students in making them and conduction different programs to display them in front of other people

BHAIRAB TECHNOPARK

- Work as a member for solving hardware problems in computer and inserting different software in client computers
- Learned to work with different computer related issue and found out different ways to solve the problem.

SKILLS

- Communication Skill
- Team Work
- Event Managing
- Software cracking
- Command prompt skill
- Cyber Security
- Analysis Skill
- Leadership
- Hardware configuration
- Programming skills

Training

OWASP Top 10

In this room i learned about all the OWASP top 10 Vulnerabilities:
